

2003 – 2004 SITACS SUMMER PROFESSIONAL DEVELOPMENT RESEARCH SCHOLARSHIPS

AIM

The aim of the scheme is to attract prospective higher degree research students to the University of Wollongong by providing them with research experience in an area of interest. It offers students an opportunity to evaluate for themselves, and to demonstrate to others, their potential for research work. In addition, the scheme provides students with exposure to the research excellence of the University.

ELIGIBILITY

- Students must be Australian citizens or permanent residents of Australia.
- Students must have completed a minimum of 2 years of an undergraduate degree at a standard acceptable for admission to an Honours course (ie. 65 average)
- Successful students must provide certified copies of academic transcripts and proof of permanent residency (ie birth certificate or passport). If UoW students, academic transcripts do not have to be certified)
- If a student has previously held a Summer Vacation Scholarship, the prospective supervisor must justify in writing their reasons for awarding another scholarship.
- Existing PhD or Masters Honours (Research) students are **not** eligible to apply.
- International students are **not** eligible to apply.

REQUIREMENTS

- The scholarships run for a period of 10 weeks at \$300 per week (paid in two increments) and are to commence in early December.
- Under the conditions of the award, the student is not required to provide services to the University during the tenure of the scholarship. If services are provided, the scholarship then becomes taxable.
- The student will be required, under the conditions of acceptance, to provide a report at the end of the scholarship. This is to be submitted through the supervisor and signed by the Head of the Academic Unit, then forwarded on to the Foundation Office within one month of the completion of the scholarship.

APPLICATION PROCESS

- Students are to complete the attached application form. A separate application form must be used, if you wish to be considered for more than one project.
- Application form, plus CV, certified copies of academic transcripts and proof of permanent residency must be submitted to Sonia Jennings (room 3.227 or 3. 226).
- The closing date for applications is **5pm 14 November 2003**.
- Successful applicants will be notified by email on 21 November.
